

EXAM INFORMATION

Georgia Board for Residential and General Contractors Testing Process:

1. Candidates seeking licensure may download the examination application from our [FORMS](#) directory.
2. Candidates must complete the appropriate examination application and submit it to the Board office along with a fee and supporting documents.
3. Board office notifies PSI of the candidates eligible for testing while also notifying individual applicants of eligibility.
5. Once approved for examination eligibility, the candidate will register with PSI.
6. Candidates may take their test at any of the three existing PSI testing locations found in Atlanta, Macon or Tifton or any other location that PSI has established in neighboring states.
7. Information regarding the examination itself can be found by visiting PSI's website at www.psiexams.com or calling PSI at 1-800-733-9267.
8. [Candidate Information Bulletin](#)
9. Board office will notify candidates of exam results.
