

IN LOVING MEMORY OF

Suzanne Williams

1960 - 2017

IN OUR HEARTS YOU WILL ALWAYS STAY

*A heart of gold stopped beating.
Two shining eyes at rest.
God broke our hearts to prove to us
He only takes the best.
God knows you had to leave us,
but you didn't go alone,
for part of us went with you
the day He took you home.*

It is with great sadness that we inform you that our friend Suzanne Williams passed away Friday, October 6, 2017 after being admitted to the hospital in Gainesville, GA. She was 57 years old. Funeral arrangements have not been published at this time.

Suzanne joined the Home Builders Association of Georgia in 1989 as Government Affairs Director. Prior to joining HBAG, Suzanne served as a congressional staffer in Washington, D.C. In 2009, Suzanne was promoted to Senior Vice-President for Legislative and Political Affairs.

Suzanne was the face of the residential construction industry at the Georgia State Capitol for over twenty-one years. She worked diligently on a wide variety of legislative issues on behalf of the Home Builders Association, such as builder licensing, the Right to Repair Act, and mandated fire sprinklers.

In 2013 Suzanne left HBAG and continued her career under the Gold Dome representing multiple clients, including Chattahoochee Technical College and the Georgia film industry.

Suzanne was well liked by her colleagues at HBAG and at the Georgia General Assembly. She had a personality that made strangers feel like friends. She will be missed by all who knew her.
