* Please note Affiliate Members are included in all counts.
 ** NPD, Non-Paid members for current process month.
 *** Reinstatement is the count of members previously cancelled and payment is received within 120 days of Expiration Date.
 **** Annualized Retention shows the percentage of those members retained and is computed by reducing the current membership total by the number of New Members for the most recent 12 months. That number is then divided by Active Members at the beginning of the period.
 ***** I - indicates an inactive association that had membership in December of the prior year.
