HBAG Board Meetings & Committees

Board Meetings

HBAG holds 3 board meetings throughout the year. These meetings are the perfect opportunity to bring HBAG builder and associate members together from across the state to network, attend committee meetings, and discuss important issues affecting the home building industry. Educational opportunities, presentations by renowned speakers, and fun social events are always a popular part of the Fall and Spring Board meetings. The Winter Board Meeting is a great opportunity for conversing with legislators at the Capitol and learning the issues important to them that might affect home building. In return, legislators are able to learn from individuals in the building industry. Cost to attend these meetings is greatly reduced for members of the HBAG.
